

Cranberry Mold

- 4 pkg. Cherry or Cranberry jello
- $1\frac{3}{4}$ c. water per package
- 1 ~~pkg~~ envelop gelatin (softened in $\frac{1}{4}$ c. water)
- 2 cans drained whole cranberry
- 1 cup Chopped pecans
- $1\frac{1}{2}$ c. Chopped Celery
- $\frac{1}{4}$ c. lemon juice

Make jello according to instructions on package but using $1\frac{3}{4}$ c water per

package. Add dissolved gela-
ten, ^{and lemon juice} then raspberries, clery
and nuts. Pour into large
mold and chill for at
least 24 hrs.

This makes a very large
mold. Use $\frac{1}{2}$ recipe for
under 8 to 12 people -
